

LEARNING CHOICE BOARD (April 6 - 10th)

LITERACY

Read a book for 20 minutes and draw a picture of the main character or of something you visualized while reading.

LITERACY

Keep a daily journal. Write about what is going on right now in your life, in your community and in the world. Keep track of your thoughts, feelings and activities.

LITERACY

Listen to a podcast or audiobook. Talk to your family about what you were listening to and ask them about any wonders that came up while you were listening to them.

NUMERACY

Keep track of your schedule of activities for the day. Calculate the duration of each activity.

NUMERACY

How many different ways can you make \$3.25? If you only use quarters how many would you need? What is the fewest and greatest number of coins you could use?

NUMERACY

Find a recipe you would like to make with a family member. If you are able, make the recipe and serve it to your family.

CREATIVE

Create a known or made up character using found objects (including the contents of your recycling bin). Eg. Forky from Toy Story

CREATIVE

Make a poster/sign to share a message of gratitude to our healthcare and essential service workers. You may choose to hang it in your window for others to see.

CREATIVE

Play a game of Charades with someone by acting out different animals. Try to guess your partner's animal as quickly as you can.

PHYSICAL ACTIVITY

Take a family walk. Can you find 5 beautiful things? When you get home draw/paint/sketch one of the beautiful things you saw.

PHYSICAL ACTIVITY

Turn on calming music. Stretch your body in different ways and hold the stretch for 15 seconds. Stretch up to the sky, reach to your toes, etc.

PHYSICAL ACTIVITY

Design and build an indoor or outdoor obstacle course. Include at least 4 obstacles and run through it.
