## LEARNING CHOICE BOARD (June - $15-19$ )

## LITERACY

Think of your favourite well-known fairy tale or story. Rewrite the story, but change the ending to
something completely unpredictable. Send it to your teacher or Miss Racz to read :)

## LITERACY

Read an interesting magazine or newspaper article and write down

3 new words. Look up the definitions in the dictionary and write them down.

## LITERACY

Complete this writing prompt: In my opinion the best part of Summer is.... Be sure to include reasons to support your opinion. 7 or more sentences.

## NUMERACY

Find a receipt with at least 5 items on it. Round all of the totals to the nearest dollar. Add the rounded totals up. How close was your rounded total to the actual total?

## CREATIVE

Using whatever art supplies you have at home, create a "new species" of animal that is comprised of at least 5 parts of other animals. (ex. sloth head, fish body, kitten paws, gecko tail, etc.)

## NUMERACY

Bake something with an adult. You do the measuring. Which fractions did you use? What types of measuring did you need to do? Record your results.

## CREATIVE

Create a timeline for your life that includes at least 6 big events. Be sure to include your age and the year it will be when you experience these events (ex. Age 20, year 2030: Go to university)

## NUMERACY

Starting with the time you woke up, create a list of the activities you partake in for the whole day. Include the time for each activity. How many minutes did you spend on each activity?

## CREATIVE

Create a map of your route from home to school. Don't forget to draw and label important roads and buildings in the area.

## SCIENCE

Find at least 5 simple machines within your house. Take pictures of them or draw them and explain how they work (ex. Clothesline = pulley)

## SCIENCE

Pour some some milk (2\% or whole) onto a plate. Add a few drops of different colours of food colouring. Add a drop of dish soap into the center of the milk. Record your observations.

## PHYSICAL ACTIVITY

Create your own type of yoga. Is it relaxing or exhausting? Name at least 5 new positions you created (upward cat?)
