

## "The Car" - Writing from Pictures

For a short paragraph, think about:

**Who? What? When?**

**Where? How? Why?**

For a story, think about:

**SOMEBODY** Who is the main character of the story?

**WANTED** What did the main character want?

**BUT** What was the problem or what got in the way?

**SO** How did the character solve the problem or get around it?

**THEN** How does the story end?

**Once you have finished your writing, use the checklist below to review and revise your work:**

- Read your writing out loud. Does it sound like how you want it to?
- Have you written in complete sentences?
- Did you use capital letters in your writing? (Including for 'I')?
- Add 3 more descriptive, interesting words to your writing. Use an online thesaurus to help you find interesting words.
- Check the spelling of 1 word you aren't sure about.
